

## Kiran B S

---

Shoutout to Kiran for his exceptional contributions, tireless dedication, and commitment to the C3O-MBM project team. His technical acumen and problem-solving abilities played a significant role in the success of the project. His work ethic, passion, and ability to ask the right questions by thinking through the big picture made a huge difference in the team's success. Thank you, Kiran, for being a great team player. Keep up the great work.
